For initial registration purposes only, the sex offender shall also register in the jurisdiction in which convicted, if such jurisdiction is different from the jurisdiction of residence (42 USC § 16913(a)).

If the state of residence is not accepting sex offender registrations pursuant to the Sex Offender Registration and Notification Act (SORNA), and unable to accept the defendant's registration, the defendant must maintain contact with state registration authorities and his probation officer to determine when such registration can be accepted. The duty to register may continue after expiration of the defendant's federal supervision, and any existing duty to register under state law is not suspended and will remain in effect until the state implements the SORNA of 2006. If the defendant's supervision transfers to another federal district, the defendant's duty to register as required by SORNA shall be governed by that district's polity and laws of that state.

2) The defendant shall submit to the installation of software, and to monitor computer activities on any computer the defendant is authorized to use at the defendant's expense. The defendant shall also be subject to periodic polygraph examinations at the discretion and direction of the probation officer and at the defendant's expense, based on the probation officer's assessment of the defendant's ability to pay. The defendant shall follow the rules and regulations of the sex offender treatment program as approved by the probation office. The defendant shall sign all necessary authorization forms to release confidential information so that treatment providers, the probation officer, polygraph examiners, and others (as necessary) are allowed to communicate openly about the defendant's course of treatment, and progress in treatment. The defendant shall make a co-payment for sex offender treatment services not to exceed \$25 per month, which is determined by the probation officer's assessment of the defendant's ability to pay.
